Dear Fellow Preservationists,

Another tremendous victory – actually two – thanks to you!

This time, your recent generous support of \$850 gift, which we processed on 12/11/2006, has helped the Civil War Preservation Trust save 300 acres of hallowed ground at the Richmond battlefield in Kentucky, as well as another 154 acres at Perryville. This is an extremely significant accomplishment as it sets the table for future successes in "The Bluegrass State."

Your irreplaceable support, augmented by a multi-source match of \$12.30 per every dollar donated, has helped us secure this important land. I can't thank you enough.

You have added immeasurably to the preservation of both of these important battlefields and, hopefully, we can build on our triumph at both places, now that landowners see that we are both serious about purchasing their land at market prices as well as capable of bringing the funds to the table.

It is an honor to be working for you, and I strive every day to ensure that CWPT remains the organization most worthy of your continued support. Please feel free to contact me at any time with any questions, comments, suggestions or criticisms you may have about our work together.

With warmest regards, your most obed't serv't,

David N. Duncan

Director of Membership and Development

*My deepest thanks
to you all!*
